

Gas Safety

It's a matter of life and death

Are you a tenant?

Have you had your boiler serviced yet?

Speak to your local housing centre now!

Faulty gas appliances can kill - getting a boiler service could be a matter of life or death.

Our gas safety check and service takes less than an hour.

If you are a leaseholder and would like EastendHomes to undertake your gas servicing please contact our Technical Services Section on 020 8880 7834 to discuss it.

If you smell gas in your home immediately turn the gas off at the meter and call 0800 111999

About 20 people die every year in the United Kingdom from carbon monoxide poisoning caused by gas appliances and flues that have not been properly installed or looked after.
